Safety”

Student Home Screening Protocol

Parents/guardians should keep their children home if they are experiencing [symptom\(s\) associated with any communicable disease](#), including COVID-19. In addition, parents/guardians are to perform the following COVID-19 health check every day before the student leaves home.

A child should NOT come to school with any of these symptoms:

- Fever of 100.4 degrees or higher
- Sore throat
- Cough
- Difficulty breathing
- Diarrhea or vomiting
- New onset of severe headache (especially with fever), or
- New loss of taste or smell

For persons with chronic conditions such as asthma, the symptoms should represent a change from baseline.

Children exhibiting symptoms of COVID-19 are to be kept home and may not attend school.

Notes From the Health Room

Regarding COVID-19

- If a student complains of any Covid-19 like symptoms at school, **staff will notify the Health Room.**
- Health staff will evaluate the student and protect the student's confidentiality.
- Staff will follow the triage protocol from MSDE/MDH and determine if a student will be sent home or return to class.

Notes From the Health Room

Regarding COVID-19

- An **isolation room** is available for those students who will need to wait to be picked up to go home.
- As much as possible, **healthy children will be kept out of the health room** in order to minimize possible exposure to illness.
- **Teachers will have health kits** in their classrooms (band aids, basic items, etc.)

What happens if someone tests positive for COVID?

- An **unvaccinated student** determined to be in **close contact** with a person with verified COVID-19 must quarantine.

What happens if someone tests positive for COVID?

- Contact tracing is handled by the Howard County Health Department (HCHD), with support from and in coordination with the HCPSS Office of Health Services.

Notes From the Health Room

Social Emotional Learning Program

- **To help students become caring, responsible members of their school communities and grow into humane, principled, and skilled citizens of democratic society by:**
 - **Building caring relationships**
 - **Explicitly teaching social and emotional skills**
 - **Creating calm, orderly learning environments through effective classroom management**
 - **Helping students develop self-discipline through a teaching-and-learning approach to discipline**

Related Arts 9:15-10:15

- HCPSS will continue to implement "Color Rotation" schedule for related arts.

Strategy to Consider: You may wish to encourage students to wear their tennis shoes to school each day to ensure they are ready for P.E. Also, if recorders are utilized for instruction, students will be encouraged to keep those at school.
