Families will have the opportunity to enjoy a variety of appetizers representing different countries—an informal and delicious way to explore global flavors together. Please note that all students must be accompanied by a parent or guardian. Children may not be dropped off for this event. We look forward to seeing you there and celebrating our community's diversity.

Students will also receive a passport to stamp as they explore each station. Don't miss the GT Seminar Gallery, where K–5 students will showcase projects from their gifted and talented seminars.

Enjoy a free, family-friendly evening of hands-on STEM fun. All students must be accompanied by a parent or guardian; drop-offs are not permitted.
