Hi Hammond families!

As we embark on our second year creating the yearbook, we're excited to build on our experience and deliver an even more exceptional publication. To make this happen, we need your help! As parents ourselves, we understand the importance of accuracy and inclusivity in the yearbook. To ensure the yearbook is as accurate and memorable as possible, we need your help. As parents, we don't have the same direct access to students as teachers and staff do. **Please share any photos you have of your child at school events, activities, or simply in the classroom and label them with your child's name and teacher to using our submission link or email them directly to HESTigersYearbook@gmail.com.**

Your contributions will ensure that the yearbook is a true reflection of our school community. Thank you for your support!
